Reappearing Stain & Wicking Preventative

- ▶ Prevents reappearing stains, wicking and rapid resoiling problems.
- ▶ Greatly reduces call-backs.

Ingredients: Proprietary, essentially non-toxic blend of polymers and anti-wicking agents.

Dilution Ratios: Comes ready to use... do not dilute.

Application:

- Apply to carpeted areas where stains have reappeared in the past and areas where stains are likely to reappear after cleaning (i.e., areas where spills have occurred from substances such as soft drinks, coffee, detergents, etc).
- Application rate is approximately one ounce per sq ft of area to be treated.
- pH 6.5 - 7.0
- When dry, treated areas should be vacuumed with an upright vacuum cleaner equipped with a beater bar. This can be accomplished by the customer through routine vacuuming procedures.

Cautions:

- Test all carpet for color fastness before applying any product.
- Keep out of the reach of children.
- Can be an eye or skin irritant... Avoid eye contact or prolonged skin contact. On contact with eye flush thoroughly with water for at least 15 minutes. On contact with skin rinse off irritation persists, consult physician. Read MSDS available at www.vacaway.com.
- Never take internally... On accidental ingestion wash out mouth with water. Obtain medical attention if ill effects occur.
- Do not re-use container. Dispose of this container according to government regulations.
- Use in well ventilated area.
- For use on colorfast synthetic carpet.
- For professional use only.
