VacAway®

“Grease-Cutting”

Encapsulation Detergent

- ▶ Designed to address the cleaning challenges of “Oil-Loving” fibers such as Olefin and Polyester.
- ▶ Penetrates, breaks up and emulsifies the oily film that binds dirt particles to carpet and upholstery fibers.
- ▶ Expands and shatters into tiny crystals when dry.
- ▶ Great for all synthetic fiber.
- ▶ Encapsulated dirt is removed during routine vacuuming.

Ingredients: Proprietary... Unique Polymer and Grease-Cutting Surfactant blend containing in part <7% 2-BUTOXYETHANOL.

Dilution Ratios:

- For normal soiling conditions mix 2 - 4 oz per gallon of water.
- For heavy soiling conditions apply 4 - 8 oz per gallon.
- As a spotter for stubborn spots/stains mix 8 - 16 oz per gallon.
- As an anti-wicking agent for spills or areas where reoccurring stains are a concern, mix 32

Dilution Chart		
Application	Product	Water
Average Soiling	2 to 4 oz	1 gal
Heavy Soiling	4 to 8 oz	1 gal
Super Spotter	8 to 16 oz	1 gal
Anti-Wicking Agent	32 oz	1 gal

- oz per gallon of water; lightly spray and work product into fibers and allow to dry.

Application:

- Pre-vacuum or pile lift carpet to remove dry particulate soil.
- May be applied with any normal method of applying pre-spray including gravity fed systems such as used with a Cimex or rotary

machine.

- Depending on application method and degree of soiling, apply at 200 - 400 SF per gallon.
- Agitate the solution into the carpet pile with a high agitation machine such as an Oscillating Pad, Rotary Bonnet, Cimex, or Counter-Rotating brush type machine.
- No rinsing required.
- To remove encapsulated soil, vacuum when dry or have your client vacuum at the next scheduled vacuuming interval.

Cautions:

- Test all carpet for color fastness before using any carpet cleaning product.
- Keep out of the reach of children.
- pH <10 when diluted 4 oz per gallon of water.
- Eye and skin irritant... Read MSDS available at www.vacaway.com
- Avoid eye contact or prolonged skin contact. On contact with eye or skin, flush thoroughly with water. If irritation persists, consult physician.
- Never take internally.
- Do not re-use container. Dispose of this container according to government regulations.
- Use in well ventilated area.
- For use on colorfast synthetic carpet.
- For professional use only.
