

Fast acting Paint, Ink, Grease etc. Remover

Ingredients: Advanced blend of solvents, surfactants and copolymer designed to easily remove paint, ink, grease, nail polish, magic marker, makeup and much, much more. Contains in part <20% Dichloromethane.

Application: Apply to a clean, white absorbent cloth. Blot area working from the outside of the spot towards the center. Dries virtually residue free.

Precautions:

- ▶ For use on colorfast synthetic carpet & upholstery.
- ▶ Test all fabrics for color fastness or damage before using.
- ▶ Can be an eye and skin irritant. Rubber gloves and goggles must be worn. Before using, **please read the MSDS, available at www.vacaway.com.**

VacAway®

- ▶ Avoid eye or skin contact. In case of skin contact, immediately wash skin with soap and water. In case of eye contact, immediately flush eyes with plenty of water for at least 15 minutes. Call a physician.
- ▶ Use with adequate ventilation or supply breathing apparatus with organic filters if necessary.
- ▶ Flammable liquid. Heavy vapors can flow along surfaces to distant ignition sources and flash back.
- ▶ Do not re-use container. Dispose of container according to government regulations.
- ▶ Overuse can cause softening and/or delaminating of the secondary backing.
- ▶ Excess product should either be absorbed with a towel, bonnet, pad, etc. or rinsed with water.
- ▶ Keep out of the reach of children.
- ▶ For professional use only.
