

Problem-B-Gone™ Part Two

Two-Part stain erasing system

INSTRUCTIONS CONTINUED FROM THE LABEL ON PROBLEM-B-GONE PART ONE:

- ▶ Agitate with a blunt object such as a bone scraper. The stain may disappear immediately or it could take a couple of hours for the chemical reaction to reach completion. Covering the treated area with clear plastic will help this product's performance.
- ▶ Discard any unused mixture.
- ▶ Rinse area after stain is removed to prevent anyone from coming in contact with mixture.

VacAway®

- Precautions:**
- ▶ Never mix part one and part two together in a closed container... The container can build up pressure and rupture!
 - ▶ Test all carpet for color fastness before using any carpet cleaning product.
 - ▶ Keep out of the reach of children.
 - ▶ Eye and skin irritant. . . Read the MSDS, available at www.vacaway.com, before using. Eye Contact: Immediately flush eyes with plenty of water for at least 15 minutes. Call a physician. Skin Contact: Immediately wash skin with soap and water. Wash contaminated clothing before reuse.
 - ▶ Never take internally. For accidental ingestion: If swallowed induce vomiting. Never give anything by mouth to an unconscious person. Call a physician.
 - ▶ Inhalation: Remove to fresh air. If breathing difficulty or discomfort occurs and persists, obtain medical attention.
 - ▶ Do not re-use container. Dispose of this container according to government regulations.
 - ▶ For professional use only.

Part Two is a proprietary mixture.

pH of Part Two is 12.0 - 13.0... pH when mixed with Part One is 9.0 - 9.5.
